bank doubles = stakes double

Be wary of betting at a course who have watered &amp; rain is forecast as the ground came become soft very quickly, nothing plsses me off more!

Before betting on the AW the horse MUST have shown form on that surface &amp; course, preferably a C&amp;D winner, although I rarely bet as quality is so poor &amp; tracks are tricky

\* Beifair 5% commission deduction from winnings, seldom use them now as most online bookies offer best odds guaranteed &amp; early liquidity, only problem is getting the full amount on
